

HOMAYEM GROUP COMPANY PROFILE

ABOUT HOMAYEM

The Homayem Group of companies covers a wide range of activities inside and outside Iraq . The success of those companies is directly related to the top executives, Mr. Rasheed Homayem and Sons, and the professionalism of our employed staff.

The Homayem Group of companies has a well established reputation inside Iraq due to the fact that we stand behind our products and promote excellence in all of our fields of activities. We recruit top professionals of all levels, such as plant managers, project mangers, civil, mechanical and chemical engineers.

The Homayem General Construction is considered as one of the oldest construction companies in Iraq . We have executed our first project in 1948. The company is graded as "Type A" by the Iraqi Ministry of Planning. This allows the company to take any projects without limitation.
